Paola Collection

Design Paola Navone

La collezione disegnata da Paola Navone, sia per il bagno che per la cucina, nasce con l'intento di aggiungere un tocco di fantasia alla casa, rompendo lo schema convenzionale del rubinetto come semplice oggetto funzionale. La leva di comando, simile a un gigantesco petalo rosso, unisce forza e delicatezza, trasformando la struttura cromata in un elemento ironico, divertente e seducente, capace di ispirare creatività e nuove idee.

Paola Collection

The collection designed by Paola Navone, both for the bathroom and the kitchen, was created with the intention of adding a touch of fantasy to the home, breaking the conventional scheme of the faucet as a simple functional object. The control lever, similar to a giant red petal, combines strength and delicacy, transforming the chrome structure into an ironic, fun and seductive element, capable of inspiring creativity and new ideas.
