RIGADRITTO

Design Mamoli R&D

Rigadritto riprende il design essenziale di Pico, arricchendolo con un tocco di eleganza grazie a una decorazione a righe, simile a un raffinato gessato. Questo dettaglio distintivo lo rende ancora più visibile nell'ambiente bagno, mantenendo l'essenzialità e la pulizia delle forme, e sfoggiando un carattere deciso e sofisticato. Perfetto per chi cerca funzionalità e stile in un rubinetto che si fa notare, Rigadritto unisce estetica e praticità in modo unico e sorprendente.

Rigadritto takes up the essential design of Pico, enriching it with a touch of elegance thanks to a striped decoration, similar to a refined pinstripe. This distinctive detail makes it even more visible in the bathroom environment, maintaining the essentiality and cleanliness of the shapes, and showing off a decisive and sophisticated character. Perfect for those looking for functionality and style in a tap that gets noticed, Rigadritto combines aesthetics and practicality in a unique and surprising way.
