

Tokyo Collection

Design Mamoli R&D

La collezione Tokyo è una collezione dal corpo pulito ed essenziale, ispirato a un'estetica quasi zen. Al design sobrio della serie originale alla quale si ispira, è stata aggiunta una leva distintiva, che ricorda una pietra preziosa grazie alla sua godronatura verticale. Disponibile nelle finiture cromo e nero opaco con maniglia in ottone, per gli amanti di un tocco più audace, Tokyo è un miscelatore sofisticato che si adatta perfettamente a qualsiasi lavabo o doccia, che combina semplicità e raffinatezza.

The Tokyo series is a collection with a clean and essential body, inspired by an almost Zen aesthetic. To the sober design of the original series from which it is inspired, a distinctive lever was added, which recalls a precious stone thanks to its vertical knurling. Available in chrome and matt black finishes with a brass handle, for lovers of a more daring touch, Tokyo is a sophisticated mixer that adapts perfectly to any sink or shower, combining simplicity and refinement.
