COUNTRY

Design Mamoli R&D

La collezione Country fonde perfettamente un design retrò con un tocco contemporaneo. Con linee morbide e rotonde, richiama lo stile classico ma è stato rinnovato per adattarsi agli ambienti moderni. La struttura cilindrica, insieme al beccuccio curvo, evoca un look old-style, ma le finiture cromo e nero opaco unite all'impugnatura bianca, aggiungono una nota di freschezza e attualità. È un mix tra tradizione e modernità, che conferisce un'atmosfera rustica, giocosa e divertente, trasformando un oggetto funzionale in un elemento di stile dinamico.

The Country collection perfectly blends a retro design with a contemporary touch. With soft and rounded lines, it recalls the classic style but has been renewed to adapt to modern environments. The cylindrical structure, together with the curved spout, evokes an old-style look, but the chrome and matt black finishes combined with the white handle add a note of freshness and modernity. It is a mix of tradition and modernity, which gives a rustic, playful and fun atmosphere, turning a functional object into an element of dynamic style.
