Design Mamoli R&D

Una collezione originale Mamoli del 1948, dallo stile classico e raffinato, pensata per un bagno in cui concedersi un salto indietro nel tempo. Un'autentica espressione di italianità, in cui le manopole a croce dal design tradizionale evocano un senso di nostalgia e aggiungono un tocco di autenticità, perfetto per ambienti dal fascino retrò o dallo stile metropolitano.

An original Mamoli collection from 1948, with a classic and refined style, designed for a bathroom where you can take a leap back in time. An authentic expression of Italian style, in which the traditionally designed cross knobs evoke a sense of nostalgia and add a touch of authenticity, perfect for environments with a retro charm or metropolitan style.
